Applicant's Statement: Read this Statement Before You Sign This Application.

All of the information I have given on this application is true and correct. I understand that you will confirm the information and retain the application whether or not my application is approved. My signature below authorizes my bank and creditors to release my account information to you.

If my application is approved, I understand that I am responsible to keep my monthly payments current until the balance of the loan is paid in full. I understand that failure to keep my monthly payments current will result in a hold on my Cabrillo College registration and transcripts. This would prevent me from registering for future classes and receiving transcripts or other documents from Cabrillo College. A payment that is 20 days late (or more) constitutes a failure to keep current.
